I am very glad to know from your letter dated 11-5-1951 that the eminent Violinist Yehudi Menuhin has offered to come to India in 1952 to give a number of concerts in different parts of India in aid of some deserving charity, the net profit from the concerts being earmarked to the Prime Minister's National Relief fund.

I shall be very happy to extend all possible facilities to make the concerts a success.

With regards,

Sm. Indira Gandhi,
